

## **WELLINGTON 10,000**

### **KIDS WITH CANCER FOUNDATION ONE LOFT RACE**

This is an invitation for a chance to win up to \$10,000 total prize pool of \$19,000 and to help a very needy charity, Kids with Cancer Foundation.

All you have to do is enter 1-10 birds into the Wellington One Loft Race @ \$100 per bird maximum of 10 birds per person, syndicate or team.

1. The only One Loft Race that raises money for a registered charity
2. Pays out more prize money per \$100 entry fee than any other One Loft Race and still donates money to Kids with Cancer Foundation.
3. All races are flown on the East-East North East lines which equates to good solid racing, test the birds out and no blow homes
4. Birds are not liberated with large numbers (Less followers)
5. The birds that complete the 10k race are eligible to stay at the loft and compete in the 2Yr Old Classic race distance of over 600 miles, Must have been bred for that distance to be eligible. It is harder to race from Walgett / Wyandra direction than from Alice Springs.
